Dear Sir:

Please find the attached reference, Powers et al., "The Effect of Bracing on Patellofemoral Joint Stress During Free and Fast Walking" The Am. J. of Sports Med., Vol. 32, No. 1, (publication Feb. 2004), which Applicant originally cited in an IDS filed on March 10, 2004. According to a recent Office action, however, the Examiner did not consider this reference because it was somehow not available, evidently because of some happenstance after Applicant delivered it to the USPTO on March 10, 2004. Various other items not considered in the '171 applicant are no longer available to Applicant because they appear to have been removed from the relevant websites and Applicant has no known available copies.

Please also find a supplemental Information Disclosure Statement along with a check in the amount of \$180.

Respectfully submitted,

Date November 20, 2006
